Mr. Enders is a Managing Director and Senior Partner with CSC's Global Health Solutions Practice. Mr. Enders concentrates on projects involving strategy, organizational effectiveness, and information technology (preferably in combination). He has served the majority of the top academic health centers and many of their affiliated medical schools, is working with the country's leading integrated delivery systems and faith based systems, and is a long standing consultant to associations such as the Voluntary Hospital Association of America (VHA) and the University Health System Consortium. Mr. Enders was recognized as CSC's Quality Partner of the Year for 2003. He received an AB from the University of Chicago and an MBA from the Yale School of Management. He serves on the board of the Forest Guild, an organization which promotes ecological forestry.

Please join us when Tom Enders returns to SOM to share his valuable experience with projects involving strategy, organizational effectiveness, and information technology (preferably in combination) in the healthcare sector.

\*\*To reserve a place at the breakfast, email Debbie Pratt at [deborah.pratt@yale.edu](mailto:deborah.pratt@yale.edu) no later than Tuesday, February 21st. Please include your name, class year, club affiliation and name of the event.
